B **BookMarx**, 325 E. Walnut St., Ste. 101, presents **Featured Artist Robert Norton** in June.

From the Artist: "A few years ago, I inherited my grandfather's Mamiya 1000 DTL (a Japanese model film camera popular in the 1970s). I started shooting consistently since then. These photos are mostly shots taken on or near State Parks in Missouri. Photography has led me to some places I might not have been otherwise, and inspired me to explore the region with more of a purpose. For this collection, I put together photos that capture elements of our Ozarks environment and the qualities of its uninhabited areas." www.facebook.com/bookmarxbooks
