personality. ... She also enjoys testing the limits of what she can do with clay and working straight out of her imagination, taking the piece from her mind to her hand. Fellow Featured Artist Alan O'Neal is a retired engineer. He started photography before he can remember, and some of the works offered for sale were taken nearly 25 years ago. O'Neal grew up in the country, still lives in the country, and has a fondness for nature. All of these things have an influence on the type of pictures he takes. In 2004, O'Neal started doing Digital Art. His process is taking a photograph and
